I have been trying to add a slider to my 3dsmax scene on my laptop and on my desktop and am having no luck. but on the computer that i actually plan on using the program on when it is done im gonna import the file to the final build (on the desktop). It imported fine on the laptop but when i loaded the scene on the desktop and try to add the slider. the slider is invisible. Can someone help me fix this issue? I would like to be able to switch between my laptop and desktop at home on and off the build as needed. Please help A: Arshad, one of the community managers here at 3ds Max, can give you a hand with this. He is very knowledgeable when it comes to Max and just about any other 3d package on the market. Email him at: arshad@maxingtime.com Best of luck to you. We already know which ten teams will be making the playoffs in the NFL and that they will be locked into the final two wild card spots. The fifth playoff matchup will come in a week from today on Thursday, Jan. 9. But who should be the next play-in game for a wild card spot on the playoff bracket? Here's a list of who we think is the next set of teams to make the playoffs: The next set of teams to make the playoffs is... Pittsburgh Steelers I wrote an article about the Steelers this past week after watching them win a season that many expected them to lose. The Steelers are talented, but they are also not without their flaws. These flaws were exposed on the road this past week to the Bengals. The Steelers need to get better against the run, and they will need quarterback Ben Roethlisberger to be more consistent and protect the ball better. Once they do that, the Steelers can be the team to beat and host another divisional round match-up. Atlanta Falcons The Falcons looked like the best team in the NFC this past week. They have a really good offensive line and it shows when they are running the ball. They have an underrated defense and a star quarterback in Matt Ryan. The main area where they could be improved would be

special teams. They struggled on kickoffs, and it can be a difference maker. The Falcons should be going on to host another round of the playoffs. Arizona Cardinals Again, Arizona needed a miracle to get into the
