Category: Bruce Coville Bruce Coville is a writer of many kinds of fiction for young adults, including fantasy, supernatural horror, and other weird fiction. He is known for his series of children's books based on myths and legends from different cultures, including the Tooth Fairy, Halloween, and the Dragon. "A new book of monsters and magic from one of the masters of the genre. If you want something simple, smart, and fun to scare little kids with, then pick this book up!" - Bud Sagendorf, Swamp Thing #38

Featuring the same great artwork that made it a staple of Dungeons and Dragons campaigns, this beautifully illustrated omnibus puts the contents of all five Classic Dragonlance novels in beautifully affordable, portable form for readers of all ages! "What would happen if the hero of your game read you a story about dragons instead of just rolling a 20?" (Dragon #13, p. 26)

Gods... and the rituals of the ancient ones... and the intrigues of rulers from across the Five Nations... They're in for a nasty surprise: It seems that God is dead and the demon gods have taken over the land... For a while. If that isn't enough for you, how about this: You get to carry around a spellbook you can write in yourself, you can change gods and watch your rules of play expand as you find more uses for it, and you get to surprise your players by giving them real world answers to their questions about the world and the gods! Best of all, it's free to those of you who already own Planescape: Torment and its companion modules. World of Greyhawk is the setting of the Planescape campaign setting for the Dungeons and Dragons 3.5e. This book is a great resource for GMs looking to run a campaign using the World of Greyhawk setting. The book runs through the history of the setting and details the history of the region, the various races and civilizations and much more. The book also provides information on such things as the geography, flora, fauna, magic, and even legal systems of the
