A murderer lurks in the shadow of Notre-Dame cathedral and only you can reveal his true identity. Why would a mad criminal be so interested in solving the mystery of the city's holy relic? Who is behind the scandalous events of the past few days? The strange goings on around Notre-Dame can only be investigated through The Dark Romance game series. The hidden secrets of your ancestors are waiting for you in Notre-Dame de Paris. *Tons of items, challenges, outfits, Tarot cards, and more! *Two of the Dark Romance games in one The inventor of comic book heroes is back in a brand new collection, featuring 23 of his greatest works from the Golden and Silver Ages of comic book history! Superman, Batman, Spider-Man, the Fantastic Four, Captain Marvel, and more - they're all here - and they're collected in a brand new Volume 1 reprinting these timeless comics. These are stories that began generations ago, redefining the way everyone reads comics. A name that will be etched into your brain for eternity. Classic collections from Marvel and DC. Get them now, and see what everyone's talking about! Superman: The Man of Steel: The Golden Age of Comics #1 (384 pages, April 22, 2019; DC Comics) The Man of Steel is the greatest super-hero of all time. He possesses the strength of one hundred men and the speed of a bullet. And he fights for justice. Superman is the one who saves the day - and he can save you, too. There's just one catch: He wants no super-villains in Metropolis, and he wants no interference in his world. But you know nothing's ever easy, is it, kids? Batman: Year One: The Golden Age of Comics #1 (384 pages, April 22, 2019; DC Comics) Batman is the greatest detective who ever lived - and the Dark Knight isn't going to get a vacation anytime soon. Something evil is attacking Gotham City and it's up to this boy to step forward and take up the mantle of the Caped Crusader. For starters, a madman is sending threatening messages to this kindly old gentleman - and he wants Batman dead. The one tool Batman has to combat this threat is a mysterious device called the "Bat-Stech" (bat-machine). But what could this contraption be, and who is capable of building it? The story of Batman's first year on the job will
