Monday, November 22, 2010 We wanted to visit Costa Rica for our anniversary this year, but the little man decided he wants to come along as well. It's always fun when the children are along. We have a 15 year reunion coming up this week (our class graduated in 1990) and I'm sure we'll all be a little inebriated. We're also planning a girls getaway to Puerto Rico in December. The kids, of course, are never far from my side, but my mom, who makes some of the best homemade rolls known to man, is coming along as well. Andrea and I are planning a weekend where we'll stay in a cute little cabin somewhere in the mountains. Our first adventure was to a cabin in Winooski where we were greeted by a friendly fireman. Andrea and I in front of our cabin We brought out our flashlights and explored the trails, found a stream to dip in, and made s'mores. The cabin provided cheese for us to eat (local cheese, made by a nearby town). We made some high school-style news by saying "surprise" and hid our "guest" in the cheese cellar (guest: "helper". Surpri-ee-ess). Our first adventure in the woods A couple days before our trip we decided to rent a car. (We have been without a car for nearly two years and wanted to get out for a while). Our car rental was from Enterprise. They did not disappoint, with over 50 free miles from our rental. It was also amazingly easy to maneuver (although we had to double check to make sure we didn't run over a kid in the road). I was concerned that the dealership would try to sell us something...anyway... We decided to stay in the Winston area. There was a fantastic yogurt shop on the corner of Prescott and Pearl St. My mom, who I saw this morning,

Item description Adobe Premiere Pro requires advanced technology to help you create beautiful videos. It can quickly become time-consuming and frustrating to go through the trouble to create a high-quality final project. Don't worry, we've created a complete film-making workflow to create professional video. Adobe Premiere Pro for Mac is part of the Adobe Creative Cloud membership. It includes access to nearly 3,000 desktop and mobile apps, services, and training to help you create exceptional work. The free version of Adobe Premiere Pro lets you open, work on, and save video, audio, and image files. Both Premiere Pro CC and After Effects CC free versions are available. It's like having a skilled editor, colorist, and composer to work with you. With these tools, you'll be able to work intuitively on most projects. Are you ready to create videos on your Mac? Adobe Premiere Pro and Adobe Premiere Elements are part of the Adobe Creative Cloud membership. It is fast and easy to create videos in these Adobe Creative Cloud apps. However, the Creative Cloud app limits free access to the full capabilities of the app. There is a subscription fee to continue using these apps. The free version of these apps will allow you to open, work on and save video, audio and image files. Don't want to get another membership? Adobe Premiere Pro for Mac free version doesn't require you to sign-in with your Creative Cloud membership information. Launch a project or open a new file with just one easy click. Add video, audio and images from your files or from an online source. If you need to change a project in the future, you can also download it and open it in the free version. After Effects CC free edition is also a part of Creative Cloud membership.
